There are already a bunch of threads about this on OnDemand.org Mitchell OnDemand 5 Download Oct 14, 2014 So my daughter is trying to run Mitchell OnDemand 5 on her computer, and it says its version 4.8.5.53. Have you heard anything about a version 5? does anyone know where she can download the latest version 5? she just really wants to try this program out, but it dosnt look like its going to work for her Also is anyone else having problems with the search engine on this site? I keep trying to find different products but it keeps bringing me to the On Demand page. A: Thanks for reporting this. This was an issue on our server that we have now fixed. My apologies for the inconvenience.

A novel in vitro screening model for identification of PRMT5 and PRMT7 as tumorigenic factors in colon cancer cells. Aberrant arginine methylation is an epigenetic modification of proteins that is involved in various cellular functions. A diverse set of protein arginine methyltransferases has been identified and has been shown to play important roles in tumorigenesis. Nevertheless, the direct identification of novel arginine methyltransferase enzymes remains challenging. To overcome this problem, we have developed a novel in vitro screening system for identification of PRMT5 and PRMT7 as tumorigenic factors in colon cancer cells. We provide evidence that PRMT5 and
